Will do. Ryan Schmit will forward to you shortly. I will make 15 minutes work by focusing on what EPA is or has done. See you tomorrow. Jim

Hi all,

If you have slides, would you mind circulating them to the group? Dimitri will go last and has some flexibility in his content, so he can make sure not to duplicate any of your points.

We have a total of 60 minutes. Phil liked the idea of trying to leave 15 minutes at the end for me to ask the panel a couple of questions. That would mean we need to be pretty strict about keeping each of your presentations to less than 15. Is that doable?

I'll set the table with just a couple of minutes at the beginning about what happened in the election and the composition of the next Congress and Administration.

See yall tomorrow!
